

MARKJUNIOR SCHOOL MARCH NEWSLETTER

Dear MarkJunior School Community,

As we approach the end of the school year, we have several important updates and announcements to share with you. We hope this newsletter finds you well and enjoying the many opportunities that our school has to offer.

Science Fair

We are excited to announce that the MarkJunior School Annual Science Fair will be held on March 3rd. This event is open to all students in grades 6-8, and we encourage students to showcase their hard work and creativity. Families are welcome to attend and support our young scientists.

Parent-Teacher Conferences

Parent-teacher conferences will be held on March 10th and 11th. This is an important opportunity for parents to meet with their child's teachers to discuss academic progress, goals, and any concerns. Sign-up information will be sent home with students in the coming weeks.

National Women's History Month

March is National Women's History Month, and we are excited to celebrate the contributions and achievements of women throughout history. Our students will be learning about the accomplishments of notable women, and we encourage families to continue this discussion at home.

Spring Break

As a reminder, there will be no classes held from April 3rd through April 7th for spring break. Classes will resume on April 10th. We hope all of our families have a safe and enjoyable break.

MarkJunior School Book Fair

The MarkJunior School Book Fair is still ongoing until March 5th. Students and families can still visit and purchase a variety of books.

Student of the Month

Congratulations to our March Student of the Month, Sarah Lee! Sarah is a dedicated and hardworking student who consistently demonstrates a positive attitude and a willingness to help others. We are proud to have Sarah as a member of our MarkJunior School community.

As always, please feel free to contact us if you have any questions or concerns. Thank you for your continued support of MarkJunior School.
