

MarkJunior School January Newsletter

Dear MarkJunior School Community,

Happy New Year! We hope that the start of 2023 has been filled with joy and positivity for all of our students, families, and faculty. As we begin the second half of the school year, we have several exciting updates and announcements to share with you.

Parent-Teacher Conferences

Parent-teacher conferences will be held on January 20th and 21st. This is a valuable opportunity for parents to meet with their child's teachers to discuss academic progress, goals, and any concerns. Sign-up information will be sent home with students in the coming weeks.

MarkJunior School Annual Science Fair

We are excited to announce that the MarkJunior School Annual Science Fair will be held on March 3rd. This event is open to all students in grades 6-8, and we encourage students to begin thinking about potential science fair projects now. More information about the science fair will be provided in the coming weeks.

Student of the Month

Congratulations to our January Student of the Month, Jack Smith! Jack is a dedicated and hardworking student who consistently demonstrates a positive attitude and a willingness to help others. We are proud to have Jack as a member of our MarkJunior School community.

As always, please feel free to contact us if you have any questions or concerns. Thank you for your continued support of MarkJunior School.

Sincerely,

Lucia Mutinda

Principal
